

The Fyüle Safety Assurance

Creating a Warm, Encouraging &
Safe learning environment
for students

What is the Fyule Safety Assurance

The Fyule team is committed to ensuring the safety & well-being of their students. We take our students' privacy and data safety very seriously.

The Fyule Video Lab is a warm, encouraging and most importantly, safe learning space for students.

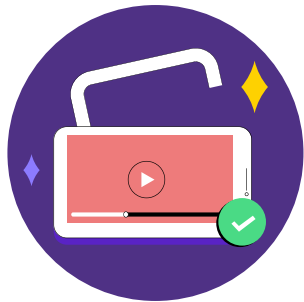

We moderate and curate all the platform content carefully to ensure that students can freely participate on the platform.

We do not run any ads on our platform and ensure that the personal details of students remain private at all times.
